

Hello VFW Members,

August 3, 2022

Lee Halverson and I have created Local Veterans Stories in remembrance of the service and sacrifice of local veterans who have walked through the doors of the Veterans Memorial Building in Danville. This project is supported by Veterans of Foreign Wars (VFW) Post 75.

Future generations will hear directly from local veterans through a series of three-minute video narratives to better understand and preserve the realities of military service.

1. What is your name and where were you born?
2. What military branch were you in?
3. When and where did you serve?
4. What does the Veterans Memorial Building mean to you?

We are conducting the video interviews on Saturday mornings from 0800hrs to 1100hrs. Please contact me at alankalin@yahoo.com if you're interested in participating in this historic VFW project.

Best Regards,

Alan
